The revolver which killed little Jo- years?" seph was on the mantelpiece in the Koonemann home when the twins arin which Carrie was to take part, use?" pursued the lawyer. house when they found the weapon, which was of the self-cocking variety. Carrie, according to the story she told on Saturday, begased the boys to replace the pistol and they refused to do so. She was trying to stop them when the weapon was discharged.

KING EDWARD, AILING, SEEKS MILDER CLIMATE.

Cold and Rheumatic Attack Stick to Him and He Plans to Leave London.

LONDON, Dec. 7.-King Edward has had some difficulty in shaking off the cold and touch of rheumatism from which he has been suffering for some time past. He was obliged to remain in the house at Sandringham all last week, and his projected visit to Lord and Lady To-day the King, accompanied by Queen Alexandra came up to London. He intends going on to a resort on the south coast, where the weather is milder to recuperate. Hichester this week has been abandoned

Saturday after the shooting, was questioned to-day and his story found to of a car barn was about fifty years. vary from that of Carrie Koenemann Engines, he said, depreciated about 4 several details. He said that the per cent., and other appliances in vary-

that the little girl was standing at least ple, "have you ever known the life of an electric car to be as great as twenty

"No," said the witness.
"What is the longest number of years rived to study a Christmas recitation, you have ever known a car to be in

fairly certain there are electric cars in operation in Brooklyn which I placed in operation in 1891. And I should venture to suggest that some of these were norse cars which had been in previous use and were built over into electric cars."

"Perhaps," suggested Mr. Semple.

holders, that the property values of car barns appreciated annually, and perhaps depreciation a year. Third Avenue road next Monday.

ROASTED JEWELS FOR HOUSEWIFE'S BREAKFAST.

She Was Using Kitchen Stove for a Safe.

Strange things happen in Hoboken. Mrs. Gussie Jessen had dreamed that burglars had dynamited the safe in her ington streets, and stolen her jewels.

She begged, implored and besought jewels-\$2,000 worth-home to their flat.

at No. 1001 Washington street.

He brought them home yesterday and Mrs. Jessen put them in the stove for safe keeping. This morning Katrina, the servant, got up early and lighted a grand fire Mrs. Jessen got up later, saw the fire,

ejaculated "My jeweis!" and swooned.
The jewels were extracted in a state of blackened saute.
They consisted of two gold watches, four diamond rings, sunbursts and other things.

ARROW COLLARS

ARROW CUFFS

3,000 Suits and Overcoats \$20 & \$22.50 values

These suits and overcoats are full standard values at \$18, \$20 and \$22.50. Because the tailoring, the fabrics, the trimmings and the models are fully up to \$18,

\$20 and \$22.50 values. Because every garment represents all that is best, all that is new and all that is most modern in ready-to-wear tailoring.

These values are possible because of fabrics bought underprice, dull season tailoring, stock adjustments, and various trade conditions.

Dress Overcoats

Black, Oxford, Cambridge gray and brown overcoats, made from strictly high-grade kerseys, meltons and vicuna worsteds.

There are medium weights, full weights and extreme heavy weights. Many of the worsted fabrics are in wale weaves of various designs. The fabrics, tailoring and trimmings are of usual \$18, \$20 and \$22.50 standards.

The models include box and semibox coats, 46, 48, 50 and 52 inches long, with natural medium width shoulders, plain sleeves and cuff sleeves, plain lapels and peaked Sizes for men and young men.

Fancy Overcoats

Olives, tans, grays and browns, in dozens of correct new shades, such as stone grays, olive tans, iron grays and olive browns, many new fancy wale weaves and stripe weaves; also new subdued and two-tone stripes.

The models include extreme ideas for young men and more conservative ideas for those that want dignity and smartness combined. There are full box and semi-box coats, 46-49 and 52 inches long. High, natural shoulders, full chests, fancy flap pockets, plain and fancy sleeves, plain and peaked

The fabrics, the tailoring, the trimmings and the models fully express \$18, \$20 and \$22.50 values.

The Suits at \$13.50

Pure worsted suits. New brown, tan, olive and smoke shades, in over 20 new stripe effects, including twotones and fancy weaves. These fabrics justify any price up to \$22.50, both in quality and desirability. High-grade, strictly all-wool velour suits, tans, olives, grays and smoke shades. Included are correct hairline, two-tone, chalk-line, chain and pencil stripes. These smart fabrics are usual in garments at \$20 and \$22.50. The tailoring and trimmings are full \$20 standard.

Black melton finished thibet and neat dark mixture worsted suits, in several conservative models; \$18 value. Models, 20 different styles, for men and young men, are in advance

They have three solid brass pedais, solid brass continuous hinges, new improved sounding-board, which will last forever. Pins are all bushed; the backs are let in and strictly dust-proof.

5 Days More Only at \$225

About One-Hat Its Value, and Save \$225 os guaranteed for fifteen years. A fac-simile of this guarantee inserted etters in the top lid of every plane.

Mr. Walters Says: Mr. H. B. Walters, of the Walters Piano Company, 226 nger, said: The opportunity you are offering the public for five days should revolu-"The opportunity you are effering the public for five days should revolutionize piano-buying.
"It is an offer that I have never heard the equal of in my life. It will create the biggest piano-selling that New York has ever had, for overybody who sees and hears these beautiful, sweet-toned pianos cannot help but admire them and will have no other plano.

"These Louis XV. Pianos are one of our favorites. They are the finest, handsomest and most beautiful planos we have ever made—perfection in piano construction, most artistic in design, and are really

A Masterpiece in Piano Building

"The tone is one of its main features, being rich, mellow, resonant; the touch is exceptionally clastic and responsive, and the mechanism as perfect as human skill can make it.

"I can state without hesitancy that this piano will hold the tone longer than any other piano in the world—in fact, they are planes built to last farever. Any one securing one of these Planos makes the best plane investment in the world.

"Besides, we guarantee these Planos to last a lifetime. They are the handsomest designs we have ever turned out, and you should have a tremendous sale in them."
